The abrogation of the treaty, which was intended to punish the Canadians for alleged violations of neutrality during the rebellion. has fallen most heavily upon the New England people, and has caused a serious diversion of trade, without any compensatory advantages. PHESE BITTERS ARE PREPARED IN PURE different kinds of roots, barks and herbs, which act in different kinds of roots, barks and herbs, which act in perfect concert one with the other, prepared from the original formula given by the great chief Red Jacket, to Dr. Chapin, who used them successfully in his practice for many years, and by their use gained so great a popularity in the treatment and cure of Dyspepsia, Liver Complaint, Constipation, Sick and Nervous iteadache, Fever and Ague, and all diseases urising from torpid liver and indigestion. Persons suffering from either of these loathsome diseases will find a cure by the use of these Bitters, which are perfectly pure and free from all those drugs and poisons usually put up in such preparations, and palmed off on an unsuspecting public. A single trial will convince the most skeptical that in the RED JACKET there 'z a virtue that no other Bitters possess.

They strengthen and invigorate the system.
They are unequalled for general debility.
They are a cure for Dyspepsia.
They give a good and healthy appetite.
They assist digestion.
They purify the treath and addity of the stomach.
They cure Digestion and Challet of the stomach.

They cure Diarrhesa and Cholora Morbus.

They are an antidote to change of water and diet. They are the best stimulant in existence. They are a preventive of Fever and Ague. They relieve Constipation. They cure Nervous Headache. They are perfectly pure and palatable.

The genuine RED JACKET BITTERS are only sold quart bottles; never by the gallon, quart or pint. See that our private Government stamp is unbroken over each cork.
Sold by all druggists and dealers throughout the Call for Red Jacket, and take no other. Circulars to the tr. le supplied on application.
